

PETER ALEXANDER, BA, MA, PH.D (ABD)

Having studied at [U.C. Berkeley](#), I believe that the purpose of private instruction is to help students realize their full potential. Understanding the diversity of students' strategies for success, I strive to strengthen those that are useful, and replace patterns that are not.

SKILLS

Programming

Python
Java
C++
Java Script
HTML/CSS
LaTeX

Operating Systems

Linux
MacOS
Windows

Software & Tools

Visualisation
(e.g. matplotlib, gnuplot, ...)
Data handling/analysis
(e.g. numpy, scipy, pandas, ...)
React
R
Office

Areas of Specialization

Mathematics
Physics
Statistics
Test Prep

Languages

English
French

CERTIFICATES

U.C. Berkeley MERN Stack Developer
CBEST Public Teaching Credential
AWS Cloud Practioner

TEACHING AND PRIVATE INSTRUCTION

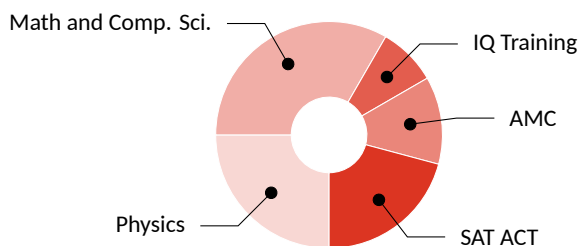

Since 2002 — California, Bay Area

U.C. Berkeley, Laney College, Alameda College, California College of the Arts, Think Tank Learning, Flex College Prep, BEEC.

AREAS OF EXPERTISE

Algebra Precalc Calculus Linear algebra Geometry
AP Stats AP Physics AP Comp Sci AP Calculus SAT Prep
ACT Prep AMC IQ Enrichment Study Skills English

SUMMARY CHART

SUBJECTS BY GRADE

- **Mathematics and Statistics** — Grades K-12: ALL subjects including test prep for AP, SAT, ACT, PSAT, SSAT, ISEE, AMC
- **English** — Grades K-12: reading and writing including test prep for SAT, ACT, SSAT, ISEE, PSAT
- **Physics** — Grades K-12: ALL levels including AP test prep
- **IQ Training** — Grades K-12: ALL levels
- **Study Skills and Test Prep** — ALL Grades: AMC, ACT, ISEE, SSAT, SAT, PSAT, TOEFL, LSAT
- **Computers and Coding** — Grades K-12: various topics (see *SKILLS* in left column)
